**NEW FEATURE EACH MONTH
(Repeat for April)**

This year we are going to try something a little different. Since every organization is looking for new ideas to spark participation in their own organizations, we are going to "spotlight" one area of interest each month. This month the topic will be **FUNDRAISERS.**

If you have had a successful fundraiser, please bring handouts that you can share with the other organizations.

Some of things you might include in the handout are:

-
- What are the tasks involved of the project?
 - How much time will be needed to make the project a success?
 - What resources will be required to accomplish the project?
 - How many members will be needed to make it happen?
 - What was the outcome of the project?
 - Did the project make a profit and at what cost?
 - Would you be willing to offer support to another organization that would

like to try this project?
