

CPAANT Board Meeting April 05, 2008 in Ft. Worth

Called to order by President John at 9:25 a.m.

John asked Sandra to pay for one – not two – table at the state convention.

Geri is helping Colleyville to get their 501c3 set up so they can join CPAANT. She will check with Granbury and Plano too.

Willette reported that Granbury is hosting a COPS convention starting this Thursday in an effort to set up a state organization of COPS.

Today's program will be by the North Texas Anti-Trafficking Task Force. (The trafficking is in **humans**; this is modern day slavery.)

As of today CPAANT has 16 member cities; Keller and Euless are joining today.

Adjourned at 9:54 a.m.; Burleson moved, Euless seconded; passed.
